SSTRIDE

Our final Parent meeting of the year will be Tuesday, May 5th at 6pm in the Crestview High School Media Center. We really would like a great turnout for this meeting as we will be recognizing our seniors and our director from FSU will be here for the occasion. Please attend!

All students will be registered to take the ACT on June 13th. This will be mandatory for all students 8th—12th grades. Please call before May 1st if this date is a problem as students will be registered by May 3rd.

Our Parent Support group will be selling tickets at Publix on Sat. April 25th, for a pair of Oakley sunglasses, a Sorelli necklace, and a handmade afghan.

Relay for Life will be 6pm May 15th — 12 pm May 16th. We desperately need participants for this event - students, parents, and families. This is an overnight event full of games, food, and fun!!

If you know of anyone currently in 7th— 10th grades who is interested in SSTRIDE please have them email or call Mrs. Eubanks.

Rising Juniors, mark your calendar for June 11, 12, and 16, 8 am-noon at West Florida AHEC. Mrs. Holmes will be instructing you on assessing vital signs and infectious disease control. This is a mandatory class, as you will need to be versed in blood pressure and blood sugar checks to participate in our community service screenings at Compass Bank (bimonthly) and the monthly Chamber of Commerce Breakfasts.

PJC Simulation Camp applications are still being accepted. The camp will take place July 6th—July 9th.

Seniors...

June 5, 2009...Six years in the making for Okaloosa SSTRIDE. Six years of hard work. Six years of being the "guinea pigs." Six years of putting up with a never-ending variety of SSTRIDE Coordinators! Six years of friendships that may never have occurred...Six years!

When the SSTRIDE program was established at Davidson and Richbourg Middle Schools, there were so many hopes for those students...so many hopes for those parents...so many hopes for the future. What I hope now for our nine

graduating seniors is happiness and success, wherever your paths may lead you. There will be times that are not the best, but I hope you will grow even stronger from those challenges. I wish you the strength to be true to yourselves and to the dreams you have. I wish you the inner peace that will give you that strength. Most of all I thank you for the joy you have brought to me these past several years and for allowing me to be a small part of your lives. I will miss you.

- Mrs. Eubanks

CONGRATULATIONS SENIOR SSTRIDE STUDENTS!!
